2016

Development
and
Instructional Program

Mitch Miller and Westside Baseball School would like to welcome returning players and new prospects to join us for the 2016 fall season.

The Westside Baseball Team, 2000 and 2005 league champions, and 2011 and 2013 runner-ups will consist of players from the Los Angeles area including the South Bay and San Fernando Valley.

The purpose of the Westside Baseball Team is to stress a better understanding of the fundamentals of the game, and to offer players a fun and competitive teaching environment. This will help prepare them for the upcoming 2017 high school season. Under the guidance of Mitch Miller, the coaching staff will work with the players on hitting, fielding, pitching and other aspects of the game. Westside Baseball will also offer assistance in counseling and communicating with college coaches if desired.

Our program runs from August to mid November. We will play games each Saturday or Sunday, competing against teams from the area. We will also hold practices at least once a week. In addition to our regular fall program, we would like to offer the players an opportunity to compete in some local tournaments throughout Southern California.

Each tournament would be an additional cost to the Westside Baseball School **registration fee** of **\$385.00**. If you would like to join us this fall, **RSVP** Mitch Miller and mail attached registration form to:
